SLOW
MAGIC

INTERDISCIPLINARY SHOW FOR YOUNGSTERS FROM 18 MONTHS TO 5 YEARS OLD

Through clay-based transformations, *Slow Magic* tackles the origin and evolution of the world.

On stage, a sound artist allows the secrets of playful mechanical objects to resonate while two characters are born. Slowly exploring sounds, space and movement, they tame and discover matter. Sound becomes pulsation, the ground unfolds, shapes appear and disappear. Slowly, they explore and build their universe. They are jovial people who are not afraid of getting wet or dirty to share their attachment to the Earth, to its mysteries and its endless transformations. In *Slow Magic*, all the senses are called upon to celebrate the cycles of life.
